

COME JOIN US!

We would like your organization to join us at Santa's Arrival and Celebration on December 1st from 3pm – 5:30 pm. This event is held at Mission Viejo Civic Center, 200 Civic Center, (between City Hall and the Library). We are currently looking for organizations that will host a game, activity or a make and take craft. We will provide you with a canopy, tables and plastic tablecloth and chairs. In exchange for operating a booth, you will get great community visibility and have a chance to have your materials available for pick up and the satisfaction of promoting community pride. Please fill out the enclosed application and become a part of this great event.

Entertainment on the Main Stage will kick off at 3pm. The stage is filled with various community groups performing from 3pm to 6pm to the delight of all. Santa will arrive at 6pm to the cheering crowd of children. With their help Santa will throw the switch that will light up Mission Viejo for the holiday season. Come and enjoy the Santa Village anytime. Santa will be in his Workshop with Mrs. Claus every Wednesday, Saturday and Sunday from 6 to 8 pm, December 4th - December 18th, for anyone and everyone to come and enjoy visits with Santa. They can even take their own photos!
