Holly Trolley**

YOUTH CORNER

Another month has gone by leaving us one step closer to our busiest time of the year, the holidays. Yes it’s the time of year for the holiday boutique, Santa’s arrival and Santa’s workshop . This years Youth and New Member project will be on November 12th at 2pm in the Murray center. We will be making prizes for the Holly Jolly Light Tour. For the youth members that meet the requirements, please think about applying for the next years youth and new member youth leader. Thank you! See you all at the next meeting.

MVAC NEWS

NOVEMBER 2017

President’s Message.....

Hi Everybody, The busy season is just around the corner. There are many events coming up: Gifts & Goodies Holiday Boutique, Santa’s Arrival, Santa’s Workshop, Letters to Santa, The Holly Jolly Light Tour and the Four Corners setup. If you have not signed up yet, please be ready to sign up for an event or two at our next meeting on Tuesday, November 14th. The Doors open at 7pm please come early to socialize and don’t forget to wear your **HOLIDAY SWEATER** to our meeting.

See you soon ... Adi

GIFTS & GOODIES BOUTIQUE

The Gifts & Goodies Boutique is Nov 18th, just three weeks away, and we have some magnetic signs available to help advertise this event. Would you put one of the signs on your car to help advertise the Boutique as you run errands about town? If you are interested in helping please leave a message for Leslee at 830-7066 and or pick up a sign at meeting on the meeting.

HELP WANTED

Santa needs elves for his workshop. Can you help? Give Santa’s office a call 830-7066.

Santa’s Arrival—November 26th

The holidays will be here before you know it and now is the perfect time to get involved and give back to our community. We need volunteers to help with setup beginning at 8 AM. There are some openings for costume characters. This is a great way for high school students to add hours to their community service requirement! Interested? Call the MVAC office at 830-7066 or come to the meeting on Nov 14th and get involved.

Don’t miss the next
MVAC meeting
Tuesday
